**No stop payment on our check & a 91-day waiting period if our check is lost, stolen or destroyed.**

---

We are pleased to provide you with our check for your payment purposes. Please be aware of two important matters concerning the care of our check.

First, please understand that we **CANNOT STOP PAYMENT** on our check. Therefore, **before** you give the check to anyone, please **be certain** you want the person or organization to be paid with our check. If you have *any doubt*, **do not give** the check to anyone, since *we cannot stop payment on it*. You may return the check to us and request a refund anytime. **Part 2 6.e.**

Second, there is up to a **91-DAY WAITING PERIOD** for a replacement check if our check is **lost** or **stolen**. Therefore, once our check is in your possession, please protect it. If you notify us that our check is lost, stolen or destroyed, you understand that you (and your payee) will need to sign a notice and you may need to wait 91 days from the date of the check for a replacement or refund. **Part 2 6.n.**

Should you wish to discuss the “no stop payment on” or “91-day waiting period” requirements of our checks, please contact us during business hours and we’ll be happy to help you!

Thank you again for being a valued member.  
We greatly appreciate it and you!
